Cell: (925) 895-6197

Objective

A challenging position allowing for professional growth where creativity, achievement, communication, technology integration and results are valued.

Qualifications

Detailed experience in teaching history and technology as a highly motivated, team-oriented professional who is well organized with good time management skills.

Success Factors

Facilitator | Creativity | Plans & Analysis | Organization | Communication

Achievements / Highlights

- **Chosen** Top 10 teacher by students via www.ratemyteachers.com that included the United States and Canada (2008)
- **Selected** by former student into the 10th edition of *Who's Who Among America's Teachers* (2005) for the difference made in a student's life.
- **Developed and implemented** a pilot program for National University that created teacher electronic portfolios which enabled teachers to spice up their resumes when seeking employment. (www.mvhigh.net/antoon/ep)
- **Created** and implemented websites for Athletics and School sites that involved collaborating information from many sources and updating schedules, results and maps to keep all news current.
- **Mentored** student teachers from St. Mary's on how to integrate technology and core curriculum into lesson planning that allowed for a smooth transition to the teaching profession.
- **Assisted** in developing an elective course of study (International Relations) for Mount Diablo Unified School District with three other teachers that aligned course standards and content with California Standards.
- **Moderated** a high school video production club that creates news casts, skits and recent events from scratch using computer application editing software, Studio DV and Adobe Premiere, that informs the school population as well as entertaining them.
- **Inducted** into the UC Santa Barbara Hall of Fame as a baseball player. Held as many as ten school records at one time and still place in the top ten in most hitting categories resulting from hard work and persistence on and off the field.

Experience

San Ramon Valley Unified School District (Monte Vista High School)

2006 - Present

Social Science Teacher

- ♣ Taught World History (10th), World Cultures (9th), World Geography (9th)
 - Used technology 99% of the time in the classroom
 - Created a website to supplement curriculum www.mvhigh.net/antoon
